RE: **Hurricane Communications**

DATE: June 1, 2006

On May 22, 2006, we sent you a memo regarding the upcoming Hurricane Season. A copy of that memo is now posted on our website (www.onecanalplace.com)

In addition to the information provided in that memo, please note that in the event of a hurricane, the most effective way to get information about the building or to communicate with management is through the One Canal Place website.

Also, if you have not completed and returned the emergency contact form previously sent, please do so at your earliest convenience. This form is also posted on our website.

Please share this information with your employees as appropriate. Again, the website address is www.onecanalplace.com.
