RE: Broadband Providers

DATE: November 4, 2010

I am pleased to tell you that, in response to requests from various tenants, One Canal Place has added several new broadband communication providers. In addition to AT&T, Level-3 Communications and tw telecom have installed separate fiber lines to the building. Also, Broadband IP has installed a satellite based broadband connection.

Connections to all of these providers are available in the building riser. The sales contacts are as follows:

AT&T		866-620-6000	att.com
Broadband IP	Summer Creasy	225-292-7500	screasy@iesolutions.us
Level-3 Communications	Ruth Roca	504-412-2892	ruth.roca@level3.com
tw telecommunications	Danielle Masson	504-620-4901	danielle.masson@twtelecom.com

We are happy to have these providers and trust they will help make the One Canal Place business environment even better for your company.
